

Fill in the blanks for each snippet with:

      $> 0$  (is positive),            $< 0$  (is negative),  
     ↗ (is increasing),      ↘      (is decreasing),  
     ∪ (is concave up),      ∩      (is concave down).

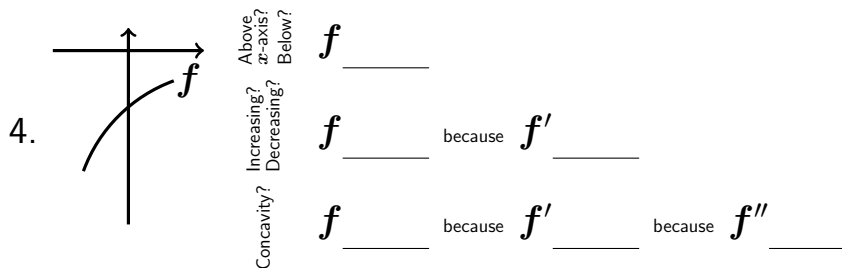

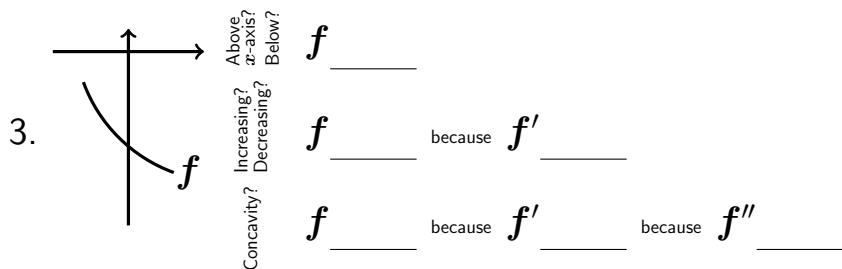

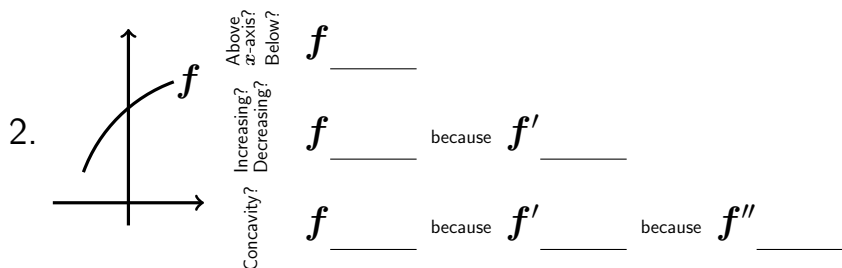

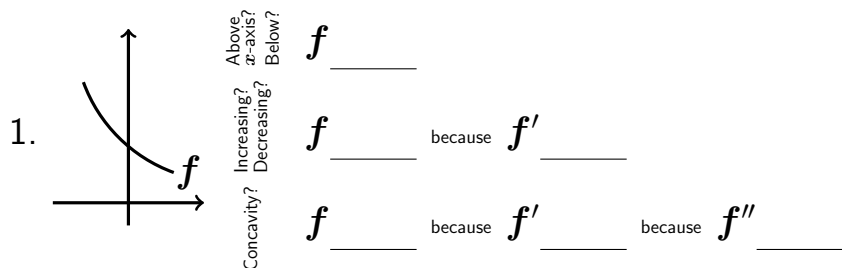

Fill in the blanks for each snippet with:

      $> 0$  (is positive),            $< 0$  (is negative),  
     ↗ (is increasing),      ↘      (is decreasing),  
     ∪ (is concave up),      ∩      (is concave down).

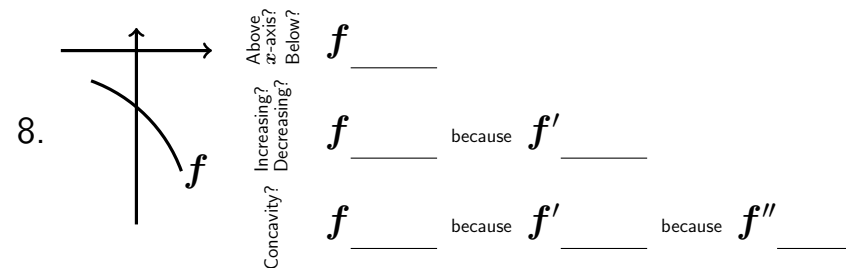

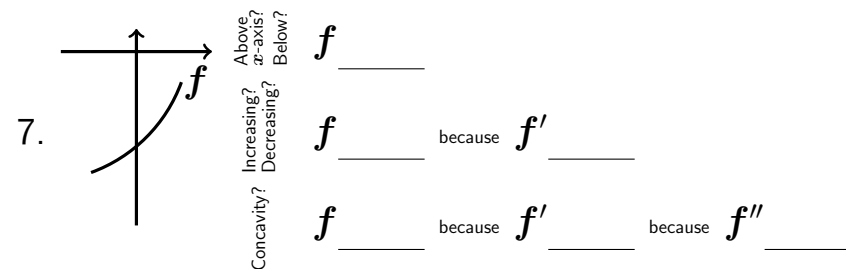

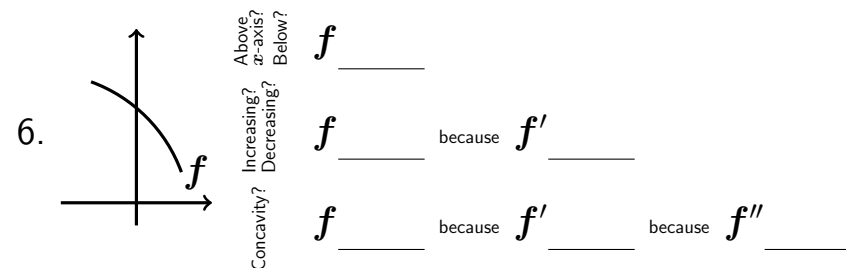

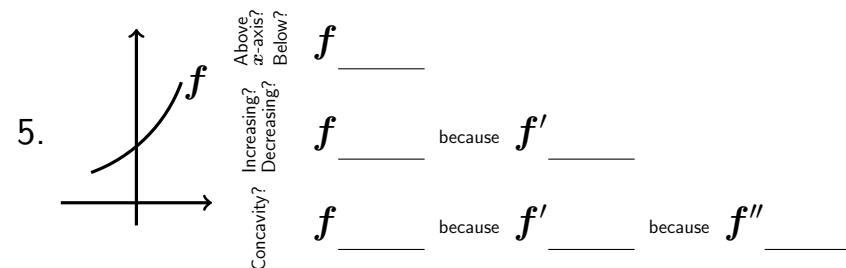

Fill in the blanks for each snippet with:

$\underline{\quad > 0 \quad}$  (is positive),       $\underline{\quad < 0 \quad}$  (is negative),  
 $\underline{\quad \nearrow \quad}$  (is increasing),       $\underline{\quad \searrow \quad}$  (is decreasing),  
 $\underline{\quad \cup \quad}$  (is concave up),       $\underline{\quad \cap \quad}$  (is concave down).

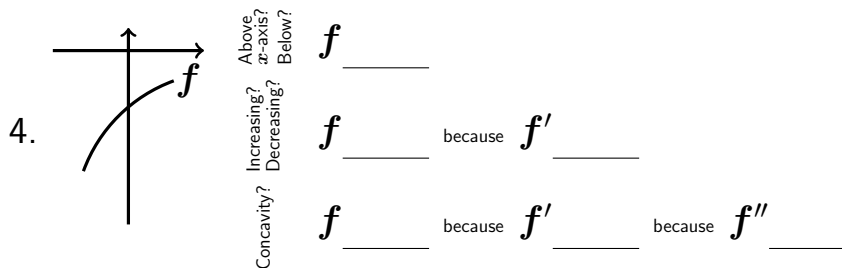

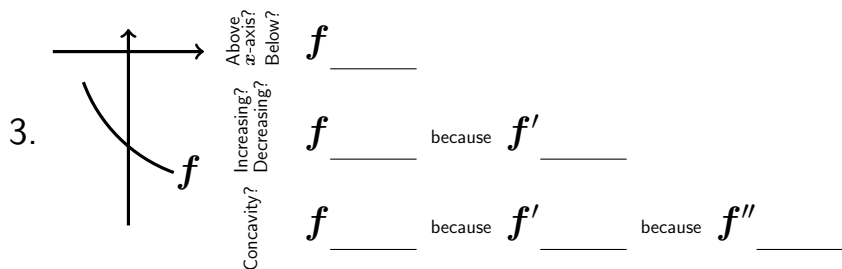

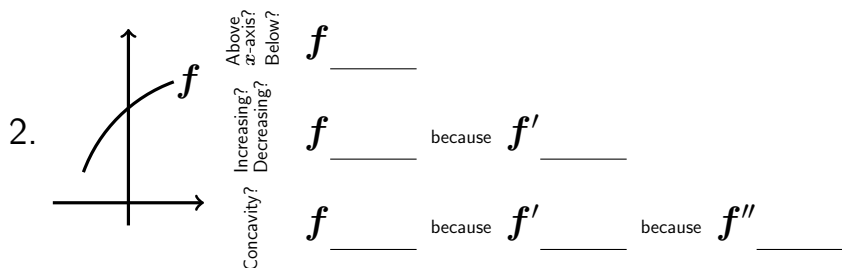

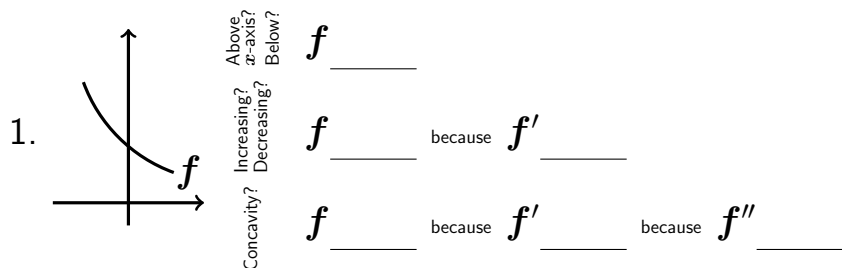

Fill in the blanks for each snippet with:

$\underline{\quad > 0 \quad}$  (is positive),       $\underline{\quad < 0 \quad}$  (is negative),  
 $\underline{\quad \nearrow \quad}$  (is increasing),       $\underline{\quad \searrow \quad}$  (is decreasing),  
 $\underline{\quad \cup \quad}$  (is concave up),       $\underline{\quad \cap \quad}$  (is concave down).

Fill in the blanks for each snippet with:

$\underline{\quad > 0 \quad}$  (is positive),       $\underline{\quad < 0 \quad}$  (is negative),  
 $\underline{\quad \nearrow \quad}$  (is increasing),       $\underline{\quad \searrow \quad}$  (is decreasing),  
 $\underline{\quad \cup \quad}$  (is concave up),       $\underline{\quad \cap \quad}$  (is concave down).

Fill in the blanks for each snippet with:

$\underline{\quad > 0 \quad}$  (is positive),       $\underline{\quad < 0 \quad}$  (is negative),  
 $\underline{\quad \nearrow \quad}$  (is increasing),       $\underline{\quad \searrow \quad}$  (is decreasing),  
 $\underline{\quad \cup \quad}$  (is concave up),       $\underline{\quad \cap \quad}$  (is concave down).
